Step 4: Supply a wide array of Fantasy Sports with Real Time Fantasy Scores.

NFL, MLB, NBA, NHL, NCAA-FB, NCAA-MB, N.Am. Soccer, Euro Soccer, MMA

Step 5: Start Marketing. This is where your customer list pays off. FanDuel and DraftKings greatest expense is customer acquisition. You already have customers, market credibility and you know how to treat the customer right. Let's get marketing.

What we provide:

- Dedicated site hosting and customer service.
- Customer Data integrity. Your player is your player.
- Players Club Authentication and Integration.
- Google Play and Apple App Store Ready.
- Mega Pool Multi-Property Contests.
- Blacklist implementation.
- Sports Stats

What you get:

- Access to a young, educated and upwardly mobile demographic who loves to play regularly.
- Year round daily events deliver you year round daily revenue.
- Legally meet your customer's gaming needs outside your casino walls.
- Find your "next generation" customer, someone you never knew you had or could have.
- The opportunity to drive players to your destination location.

We need 10 customers with a total of 7 to 10 million customers who can be actively marketed to. Based on 10 properties the price per casino is \$5,000 per month per property with \$5,000 set up fee. Total cost to each casino property is \$65,000 over 12 months. Which equates to \$178 per day for a kick ass fantasy experience.
